

**It's not just a parade.** It's a true story about Jesus, told on the city streets, releasing a unity of the faith production, proclaiming the Word of God, lifting Jesus up for the world to see. It is still the greatest story ever lived that, if told, according to our faith, He said "I will draw all men unto Me" *John 12:32.*

Beloved, in this hour as we are fighting the good fight of faith for Religious Freedom, for Christian values and the right to live by them, let us come together for:

**"The 27<sup>th</sup> Annual Christian Christmas Procession", aka  
"The Bible On Parade" December 3, 2016**

**It Is "A Message Of Unity In Jesus Christ...To Our Community" John 17:21**

Tony Perkins of Family Research Council writes in *Decision*, Billy Graham's Evangelical Voice Of Today: "This is not a time to stand on the sidelines." In the same issue, Pastor David Jeremiah writes on the importance of, Casting a vote for Religious Freedom. For over 27 years I have shared on the importance of exercising our rights as Christians which includes the right to publicly proclaim our faith on the city streets. Now, as never before, we must take a stand for our faith.

Pastors, Leaders and Representatives are invited to complimentary luncheons for the December 3<sup>rd</sup> 2016 event. The dates are: Sept. 23, Oct. 21, & Nov. 18 at 11:30 for praise and worship in the sanctuary and Lunch & Logistics 12-1 in the fellowship hall.
